Extern Program Partner

The Academy's Externship Program enables outstanding young professionals 35 years of age and younger in the parks and recreation field to interact with and learn from American Academy for Park and Recreation Administration members, and other individuals who attend the NRPA Conference and its associated meetings. Up to four Externs are selected each year, two of which are Ernest T. Atwell diversity externs.

Externs are paired with Academy members who serve as mentors during the NRPA Conference as well as past externs who serve as buddies and assist in making the most out of the experience. Externs may attend selected NRPA Conference meetings, socials, and educational sessions with their mentors or on their own. Mentors introduce Externs to their contacts and expand the young

professional's networks. After the NRPA Conference, Externs must write a brief evaluation report including:

- 1) an overview of activities they attended during Conference;
- 2) what they gained from the program; and
- 3) strengths and weaknesses of the program, including suggestions for improvement.

To fully participate in the program applicants should be prepared to make the externship experience a priority at the Conference.

EXTERN BENEFITS!

Selected externs each receive:

REIMBURSEMENT FOR THE 2023 NRPA ANNUAL CONFERENCE EARLY BIRD REGISTRATION AT THE NRPA MEMBER RATE AND UP TO A \$1,000 SCHOLARSHIP TO HELP COVER CONFERENCE EXPENSES AND/OR TRAVEL (*Detailed receipts must be submitted when requesting reimbursement*).
